

WE ARE ALL MAD* HERE

*making a difference

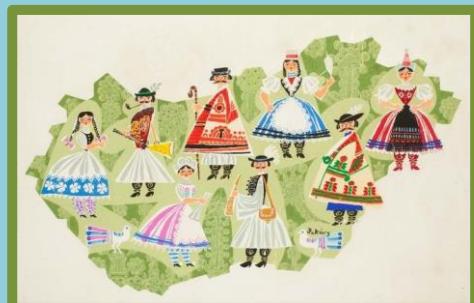

If you want to make a difference in your and other people's lives,
gain new experiences and meet new friends, then

Talentum Foundation invites **YOU** to be an **EVS** volunteer in
HUNGARY to enrich our international team for **2 months!**

Project duration:

1st DECEMBER, 2017 – 30th JANUARY, 2018

Project description

The project aims to give theoretical and practical insight of the Hungarian voluntary system, its sub-systems, themes and the practice and management of the volunteering programmes. Additional goals are to develop organisational skills by learning the methods and the practice of organising thematic voluntary programmes. Moreover, the project aims to present the Hungarian thematic voluntary programmes such as voluntary in theatres, hospitals, elderly's home organised by the hosting organisation, Talentum Foundation.

The hosting organisation

Talentum Foundation's mission is to preserve and maintain the culture, practice and value of voluntary services, and usually organises promotional and informative events and activities to raise awareness and to show how volunteering looks like in action. With committed and professional people, several national and international relations, Talentum is engaged to share good practices, cultures, provide motivating and pleasant atmosphere for any volunteers and participants who represent the same open-mindedness. Tasks of the volunteers

The focus will be on the promotional activities of volunteering at several events, and festivals. Additional tasks will be making photo documentation of the activities, doing administrative work, writing blogs, sharing their culture at organised intercultural evenings, becoming the part of the Talentum team and help us to raise awareness about the importance and relevance of voluntary services.

1. Project activities: Preparation and execution of thematic volunteering programmes (volunteering in hospitals, theatres, museums, helping voluntary service towards elderly and disabled, executing multiplier activity), cognition of methodology and its external-internal communication.
2. EVS promotion by writing blogs, actualizing Facebook page, presenting at high schools and festivals.
3. Introduction of the volunteers' own culture, country and traditions to local people by organising and leading intercultural nights and language clubs.
4. Office and administrative work, documentation, project documentation, networking in international relations, correspondence.
5. Dissemination of EVS project after homecoming and execution of a thematic voluntary programme in one's home country.

Volunteers' profile

We are looking for open-minded, enthusiastic, genial and communicative volunteers who are committed to voluntary services and programmes, who believe in the relevance of volunteering and enjoy communicating with people.

Favourable if interested in learning Hungarian language and getting to know the country's culture and traditions.

PREFERENCES

- Experience in holding creative language clubs with non-formal learning methods, but not necessary
- Former voluntary experience either abroad or inland
- Anticipatory plans and open-mindedness on how to adapt voluntary programmes to one's home country's practice

You're going to spend your time here ☺

The project is located in **Szeged**, very close to the Serbian and Romanian border and 160km from Budapest. It is one of the most developed towns of Hungary with approx. 160.000 inhabitants. Szeged is also called the city of sunshine with Mediterranean feeling, youthful atmosphere due to the 30 thousand students in town. Besides its good location and safety it has lot to offer and ensures a pleasant stay. Visit: <http://www.budapest.com/hungary/cities/szeged.en.html>

Additional important information

We will provide a flat near the city centre with two separate rooms, and mutual kitchen and bathroom. Tickets of public transport, food costs and pocket money will be provided as well according to the regulations of the Erasmus +. If the volunteers should travel to another town due to their work, all the travelling and additional costs will be paid. The office functions as the main workstation, and has internet connection and mutual kitchen. After the selection process and former arrangements, Talentum will purchase the plane ticket. CIGNA insurance will be effected by the sending organisation. Accident-ticket should be fixed by the volunteer.

Selection process
